# QR code anti-counterfeiting traceability system

Our founders, with vast years of experiences in Vape industry, quickly came to notice that in Vape industry, products of all qualities are flooding the market. Most of these products could not fulfill one important aspect: Creating quality lifestyle products. Thus ANNO was born, with the purpose of creating quality vape products through experiences of its founders. Providing consumers with only the best “ingredients” and quality products. Changing the lifestyles of smokers/vapers along the way. Alas, as our slogan: Creating Lifestyle 网页查询地址：http://security.annovapor.com
